19 January 1984 OLL: 84-0099/1

FROM: Deputy Director, Office of Legislative Liaison  1. Attached herewith, for your information and any action you deem appropriate, is a Memorandum for the Record prepared by of this Office.  2. It is clear, of course, that the allegations and accusations made by the former spouses and about-to-be former spouse who attended Subject meeting must be read with some skepticism since they are hardly unbiased reporters. Nevertheless, I think it might be appropriate, without of course doing a major investigation, to determine whether there is any validity to the complaints recorded in the attached so that we can be prepared in the eventuality that there is a follow-up by the SSCI. You should know, in this connection, that Ms. Toensing is about to leave her job as Chief Counsel of the SSCI.  Consequently, the likelihood of follow-up is not overwhelming.  3. I would appreciate your comments.  STAT  Attachment  cc: D/OP Distribution: Original - Addressee	MEMORANDUM FOR: General	Counsel
